DESCRIPTION

This 2011 Audi A1 TFSI Sport has been well maintained throughout its life and has had only three owners from new. This compact hatchback is powered by a 1.4 litre petrol engine and features the Sport trim level, which includes a three spoke leather multifunction sports steering wheel for added comfort and control. The interior is equipped with air conditioning to ensure a pleasant cabin environment regardless of the weather outside.

The vehicle offers a practical balance of performance and efficiency, capable of accelerating from 0 to 62 mph in 8.9 seconds. It is designed to be economical to run, achieving a fuel economy of 54 mpg, while also maintaining low CO2 emissions. These characteristics make it a sensible choice for drivers who want a reliable and efficient car that does not compromise on driving experience.
