DESCRIPTION

This 2012 Audi Q3 TFSI S line has been well maintained by only two owners from new. This compact SUV features a 2.0 litre petrol engine paired with a four wheel drive system, providing a capable driving experience. The S line trim adds a refined finish to the vehicle, which is equipped with Bi-Xenon Plus headlights for improved visibility and an acoustic parking system with rear sensors to assist with manoeuvring. Inside, the cabin includes dual zone electronic climate control to keep passengers comfortable, along with mobile telephone preparation via a Bluetooth interface for easy connectivity.

The performance of this vehicle is notable, as it can accelerate from 0 to 62mph in 8.2 seconds, offering a responsive feel on the road. Furthermore, it sits in a low insurance group, which helps to make the overall cost of ownership more manageable compared to many other vehicles in its class. These attributes combine to offer a practical and efficient driving experience, making this Audi Q3 a sensible choice for those seeking a reliable and well-equipped SUV.
