DESCRIPTION

We have put new Front Brake Discs.

This 2016 BMW 4 Series Gran Coupe 428i M Sport has been well maintained by only two owners from new and comes with a full service history. The vehicle has a clear history check and was last serviced on 26 May 2026 at 141,174 miles. To provide peace of mind, the car includes a three month warranty and will be supplied with a fresh 12 month MOT upon purchase. This M Sport model is powered by a 2.0 litre petrol engine that meets Euro 6 emission standards. Inside, the cabin is equipped with automatic two zone climate control, heated front seats, and electric front seat adjustment with driver memory. Technology is well integrated, featuring enhanced Bluetooth telephone preparation with USB audio interface and voice control, alongside rear parking distance control sensors to assist with manoeuvring.

The 4 Series Gran Coupe offers a practical balance of performance and utility, distinguishing itself from other coupes with its generous boot space. Drivers can experience a responsive drive, as this model is capable of accelerating from 0 to 62 mph in just 6.1 seconds. By combining the agility of a sports car with the added convenience of a larger luggage area, this vehicle serves as a versatile option for those who require both speed and everyday usability.
