Seats	5				

DESCRIPTION

This 2009 Ford Fiesta Zetec is a well-maintained example of a popular hatchback, having been cared for by only two owners since it was first registered. It is powered by a 1.4 litre petrol engine, which provides a balanced driving experience suitable for both city commuting and longer journeys. The Zetec trim level offers a practical and comfortable interior, making this vehicle a reliable choice for those seeking a straightforward and dependable car.

The vehicle stands out due to its efficient design, which is highlighted by its low CO2 emissions. This focus on efficiency is complemented by its low insurance group rating, which helps to keep ongoing running costs manageable for the driver. These combined attributes make this Ford Fiesta a sensible and economical option compared to many other vehicles in its class, offering a practical solution for everyday motoring needs.
