DESCRIPTION

This 2015 Ford Focus Titanium offers excellent value with a recent service completed in May 2026 at 97,000 miles, alongside a clear vehicle history check and a 3 month warranty for your peace of mind. This Euro 6 compliant 1.0L petrol model comes with a 12 month MOT provided on purchase, and features a partial service history. Inside, you'll find EATC climate control, Bluetooth for audio streaming, automatic headlights, and rear parking sensors for added convenience.

The Ford Focus Titanium stands out with its impressive fuel economy, achieving up to 60 mpg, which is better than many similar vehicles. Its low CO2 emissions also contribute to its appeal, making it a more environmentally conscious choice. Furthermore, this Focus boasts a large boot space, offering practical versatility for all your needs, further enhancing its suitability as a well rounded and economical family car.
