DESCRIPTION

This 2002 Honda Civic i-VTEC SE is a well-maintained example of a reliable hatchback. It comes with a full service history, with the most recent service completed on 24 July 2026 at 82,353 miles. To provide peace of mind, the vehicle has a clear history check and will be supplied with a fresh 12-month MOT upon purchase. Additionally, the car includes a 3-month warranty to support your ownership experience.

Powered by a 1.6-litre petrol engine, this model offers a balanced driving experience suitable for various journeys. A key advantage of this specific Civic is its low insurance group rating, which helps to keep ongoing running costs manageable compared to many other vehicles in its class. This combination of proven maintenance records and economical running costs makes it a practical choice for those seeking a dependable and straightforward car.
