DESCRIPTION

This 2012 Honda Jazz i-VTEC ES is a practical hatchback that combines reliability with a well-designed interior. Powered by a 1.4 litre petrol engine, this ES trim model offers a balanced driving experience suitable for both city commuting and longer journeys. The vehicle is equipped with remote keyless entry for added convenience, allowing for easy access, while the climate control auto air conditioning ensures the cabin remains at a comfortable temperature regardless of the weather outside.

The Honda Jazz is well regarded for its efficient design, offering a fuel economy of 52 mpg which helps to keep running costs manageable. It also benefits from low CO2 emissions, making it a sensible choice for those mindful of their environmental impact. Beyond its efficiency, the vehicle provides a large boot space, which is particularly useful for carrying shopping, luggage, or equipment. These practical attributes combine to make this model a versatile option for drivers who prioritise functionality and economy in their daily transport.
