DESCRIPTION

All the advisories on the recent MOT have been reapiored.

This 2007 Hyundai Coupe SIII is a well-maintained example of this popular model, powered by a 2.0L petrol engine. The vehicle comes with a full service history, with the most recent service completed on 31 August 2026 at 96,500 miles. To provide peace of mind for the new owner, the car includes a 3-month warranty and will be supplied with a fresh 12-month MOT upon purchase.

This vehicle offers a practical balance of performance and running costs, making it a sensible choice for daily driving. It is notable for its low insurance group rating and low CO2 emissions, which help to keep ongoing expenses manageable. Drivers can expect a fuel economy of 33 mpg, while the inclusion of a large boot space ensures that the car remains versatile enough for carrying luggage or shopping. These combined features make this Coupe a reliable and economical option for those seeking a stylish yet functional vehicle.
