DESCRIPTION

This 2015 Mercedes-Benz GL Class GL350 V6 AMG Sport is a capable seven-seat vehicle that has been maintained by only two owners from new. It is powered by a 3.0-litre diesel engine paired with a four-wheel drive system, ensuring it is well-equipped for various driving conditions. As a Euro 6 emission class vehicle, it meets modern standards for efficiency and environmental compliance. The AMG Sport trim adds a distinct character to this large SUV, combining the practicality of a seven-seat layout with the refined engineering expected from the Mercedes-Benz brand.

The vehicle offers a blend of performance and utility, demonstrated by its ability to accelerate from 0-62mph in 7.9 seconds and a substantial towing capacity of 3500 kg. Practicality is a key strength, with a large boot space that provides ample room for luggage or equipment. Comfort and convenience are prioritised through features such as heated front seats and automatic climate control, which help maintain a pleasant cabin environment. Manoeuvring this vehicle is made easier by front and rear parking sensors with parking assistance, while visibility is enhanced by Bi-Xenon headlights, ensuring a confident driving experience in various conditions.
