DESCRIPTION

The 2015 Mercedes-Benz GLA200 CDI Sport is a compact SUV that combines the practicality of a larger vehicle with the refined engineering expected from the brand. This model is powered by a 2.1 litre diesel engine, which meets Euro 6 emission standards. Inside, the vehicle is equipped with air conditioning for cabin comfort and Bluetooth connectivity to help you stay connected while on the move. To assist with visibility and parking, the car includes automatic headlight activation and a reversing camera, which provides a clear view of the area behind the vehicle when manoeuvring.

This GLA offers several practical benefits that make it a sensible choice for daily driving. It is designed with a large boot space, providing ample room for luggage or shopping, which adds to its overall versatility. The vehicle is also notable for its fuel economy, achieving up to 63 mpg, and its low CO2 emissions, which contribute to lower running costs. Furthermore, it falls into a low insurance group, making it an economical option for those looking to balance performance with affordability.
