DESCRIPTION

This 2013 Mercedes-Benz M Class ML250 AMG Sport offers a rare combination of reliability and value, featuring a very low mileage of 78,400 miles for its age. This vehicle comes with a full service history, having been last serviced on 16 June 2026 at 78,400 miles, and includes a clear vehicle history check for your peace of mind. To ensure you are ready for the road, a 12-month MOT will be provided upon purchase, alongside a 3-month warranty. Under the bonnet, this four-wheel drive model is powered by a 2.1-litre diesel engine that meets Euro 6 emission standards. Inside and out, the AMG Sport trim is well-equipped with practical technology, including front and rear parking sensors to assist with manoeuvring, automatic climate control for cabin comfort, and automatic headlamp activation. You can also stay connected on the move thanks to the integrated Bluetooth interface for hands-free telephone use.

The capability of this SUV is further enhanced by its impressive 2,950 kg towing weight, making it a practical choice for those who need to haul trailers or caravans with ease. Beyond its towing capacity, the vehicle provides a large boot space, offering significant room for luggage, shopping, or equipment, which adds a layer of versatility often sought after in family vehicles. By combining the robust performance of a four-wheel drive system with these thoughtful convenience features, this Mercedes-Benz stands out as a well-maintained and highly capable option for drivers who require both space and utility in their daily transport.
