DESCRIPTION

This 2019 Nissan Qashqai DIG-T N-Connecta offers peace of mind with an MOT valid until November 2026 and a recent service completed on 10 July 2026 at 67,124 miles. This petrol vehicle features a 1.3L engine that meets Euro 6 emission standards and comes with a 3-month warranty for added reassurance. Inside the N-Connecta trim, you will find a range of technology designed to assist your driving, including dual zone climate control air conditioning and Bluetooth connectivity with audio streaming. Parking is made straightforward by the Intelligent Around View Monitor, which provides a 360-degree camera view, supported by the Smart Vision Pack that includes both front and rear parking sensors. Safety is further enhanced by the Safety Shield Plus system, which incorporates blind spot assistance.

Choosing this model is a practical decision due to its low insurance group and low CO2 emissions, which help to manage ongoing running costs. These attributes make it a sensible choice for drivers who prioritise efficiency and affordability without compromising on the modern features expected in a family vehicle. By combining these economical benefits with comprehensive parking and safety technology, this Qashqai provides a well-rounded driving experience that stands out for its balance of utility and convenience.
