DESCRIPTION

This 2015 Smart forfour T Prime Premium comes with a full service history, with the most recent service completed on 24 July 2026 at 77,075 miles. This compact vehicle is powered by a 0.9L petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside, the Prime trim offers a comfortable driving experience with heated front seats and automatic climate control. The cabin feels bright and spacious thanks to the fixed panoramic roof, which includes sun protection. For added convenience, the car is equipped with a Bluetooth hands-free system for connectivity and rear parking sensors to assist with manoeuvring in tight spaces. To provide peace of mind, the vehicle includes a 3-month warranty and will be supplied with a fresh 12-month MOT upon purchase.

Choosing this model offers significant practical benefits, particularly for those looking to manage running costs effectively. The vehicle is highly efficient, achieving an impressive fuel economy of 66 mpg, which helps reduce the frequency of visits to the petrol station. Furthermore, its low CO2 emissions and low insurance group rating make it an economical choice for daily commuting and city driving. These attributes combine to create a reliable and cost-effective transport solution that stands out for its balance of efficiency and well-equipped interior features.
