## DESCRIPTION

This 2012 Suzuki SX4 SZ5 is a practical and capable vehicle powered by a 1.6 litre petrol engine. It features a four wheel drive system, providing added confidence in various driving conditions. With a recorded mileage of 61,350 miles, this example has covered a relatively low distance for its age, making it a sensible choice for those seeking a reliable and well-maintained car.

The SZ5 trim level offers several convenient additions that enhance the daily driving experience, including automatic air conditioning with climate control to maintain a comfortable cabin temperature. Connectivity is straightforward thanks to the Bluetooth integration within the audio unit, allowing for seamless phone pairing. Beyond its technology, the vehicle is designed with practicality in mind, offering a large boot space for luggage or shopping. Furthermore, it sits in a low insurance group, which helps to keep ongoing running costs manageable compared to many other vehicles in its class.
