DESCRIPTION

This 2014 Suzuki SX4 S-Cross SZ3 is a practical choice for those seeking a reliable vehicle with a proven history. It has been well maintained throughout its life, having had only two owners from new. With a recorded mileage of 81,150 miles, this example offers a sensible balance of use for its age. Under the bonnet, it is powered by a 1.6 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental requirements.

The vehicle is designed with efficiency and affordability in mind, making it a sensible option for everyday driving. It achieves an impressive fuel economy of 51 mpg, which helps to keep running costs manageable. Furthermore, the car benefits from a low insurance group rating and low CO2 emissions, both of which contribute to its overall cost effectiveness compared to similar models in its class. For added comfort during journeys, the interior is equipped with air conditioning as a standard feature.
