DESCRIPTION

This 2009 Toyota AYGO VVT-i Blue offers a practical and reliable choice for those seeking a well-maintained city car. As a Blue trim variant, this model is powered by a 1.0 litre petrol engine, providing a balanced performance suitable for urban driving and commuting. The vehicle is designed to be straightforward to operate, making it a sensible option for drivers who value simplicity and dependability in their daily transport.

The primary appeal of this vehicle lies in its exceptional efficiency and low running costs, which set it apart from many other cars in its class. It achieves an impressive fuel economy of 61 mpg, helping to keep petrol expenses to a minimum. Furthermore, the car is categorised in a low insurance group and produces low CO2 emissions, making it an economical choice for both tax and insurance purposes. These combined attributes make it a highly cost-effective solution for budget-conscious motorists.

FEATURES

- 14in Steel Wheels
