DESCRIPTION

This 2008 Vauxhall Astra i Design is a practical hatchback that combines reliable performance with a well-established trim level. Under the bonnet, it features a 1.8 litre petrol engine, which provides a balanced driving experience for daily commuting or longer journeys. As a Design trim model, it offers a straightforward and functional interior layout, making it a sensible choice for those seeking a dependable vehicle from this registration year.

The vehicle stands out for its balance of efficiency and utility, particularly with its low insurance group rating, which helps to keep running costs manageable. Drivers will also appreciate the large boot space, providing ample room for luggage, shopping, or equipment, which adds a significant level of versatility compared to many other hatchbacks in its class. With an acceleration time of 0 to 60 mph in 10.7 seconds, the car delivers responsive performance that is well suited for a variety of road conditions.
