DESCRIPTION

This 2011 Vauxhall Corsa SRi stands out for its remarkably low mileage of just 51,098 miles, making it a rare find for its age. This hatchback is powered by a 1.4 litre petrol engine, offering a balanced driving experience suitable for various journeys. Inside, the cabin is equipped with easy entry front seats that include a memory function, allowing for convenient access and personalised comfort settings for different drivers.

The SRi trim level provides a practical choice for those seeking a reliable vehicle, particularly as it falls into a low insurance group. This classification helps to keep running costs manageable, making it an economical option compared to many other cars in its class. By combining these sensible ownership benefits with the specific convenience features provided, this Corsa offers a straightforward and cost effective solution for daily motoring.
