DESCRIPTION

This 2008 Volkswagen Eos TDI CR Sport comes with a full service history, providing clear evidence of its well-maintained past. This vehicle is powered by a 2.0 litre diesel engine and features the Sport trim level, offering a balanced driving experience. To ensure peace of mind for the next owner, the car includes a 3 month warranty and will be supplied with a fresh 12 month MOT upon purchase. Inside, the cabin is equipped with semi-automatic air conditioning that includes climate control, allowing for a comfortable environment regardless of the weather. The last service was completed on 22 June 2026 at 144,000 miles, confirming that the vehicle has been kept up to date with its maintenance schedule.

Choosing this particular model offers practical advantages, particularly regarding running costs. The vehicle sits within a low insurance group, which helps to make ownership more affordable compared to many other cars in its class. By combining the efficiency of a diesel engine with the convenience of climate control and a documented service history, this Volkswagen Eos presents a sensible choice for those seeking a reliable and economical vehicle.
