DESCRIPTION

This 2011 Volvo S60 T4 R-Design Premium offers peace of mind with a clear vehicle history check and only three previous owners. This saloon is powered by a 1.6 litre petrol engine and comes with a full service history, having been last serviced on 15 May 2026 at 90,000 miles. As an R-Design Premium model, it combines the classic Volvo build with a distinct trim level. To ensure the vehicle is ready for the road, it will be supplied with 12 months MOT upon purchase and includes a 3 month warranty for added reassurance.

This vehicle stands out as a practical choice due to its efficient performance, achieving 43 mpg. It is also an economical option to run, benefiting from low CO2 emissions and falling into a low insurance group. These attributes make it a sensible and cost-effective alternative to other similar models in its class, balancing everyday usability with the specific advantages of the R-Design Premium specification.
