DESCRIPTION

This 2016 Volvo V40 D2 SE Nav is a practical hatchback that has been maintained by only two owners from new. It is powered by a 2.0 litre diesel engine, which meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. The vehicle is well equipped with the Winter Pack, which includes heated seats for added comfort during colder months. Drivers also benefit from rear parking sensors to assist with manoeuvring, a Bluetooth handsfree system for connectivity, automatic headlights with a tunnel sensor, and electronic climate control to maintain a comfortable cabin temperature.

This model stands out for its efficiency and running costs, offering an impressive fuel economy of 79 mpg and low CO2 emissions. It is also placed in a low insurance group, making it a sensible choice for those looking to manage their ongoing motoring expenses. Despite its focus on economy, the car remains capable on the road, achieving 0 to 60 mph in 9.8 seconds. Furthermore, the vehicle provides a large boot space, offering the practicality needed for daily errands or longer trips, which makes it a versatile option compared to many other hatchbacks in its class.
