DESCRIPTION

This 2007 Volvo V70 D5 Sport is a practical estate car that combines robust engineering with a refined driving experience. As a Sport trim model, it offers a distinct specification within the V70 range, powered by a capable 2.4 litre diesel engine. This vehicle represents a well-regarded era of Volvo design, focusing on durability and comfort for both driver and passengers.

The 2.4 litre diesel engine provides a balance of power and efficiency, making this estate suitable for both motorway journeys and daily commuting. Choosing the Sport variant enhances the driving character of the vehicle, offering a more focused feel on the road compared to standard models. Its design prioritises interior space and utility, ensuring that it remains a versatile choice for those who require a reliable vehicle with ample room for passengers and luggage alike.f
