DESCRIPTION

This 2014 Volvo XC60 D4 SE Lux Nav is a well-maintained vehicle that has had only one owner from new. It is powered by a 2.0 litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. The SE Lux Nav trim level provides a high specification, featuring the Personal Car Communicator with keyless drive and entry for added convenience. Safety and driver assistance are central to this model, which includes the Driver Support Pack with adaptive cruise control, a rear parking camera, and the Blind Spot Information System with cross traffic alert. Additionally, the vehicle is equipped with lane keeping aid, driver alert control, active high beam, and a road sign information display to assist the driver on every journey.

The Volvo XC60 is designed to balance performance with efficiency, offering an impressive fuel economy of 60 mpg and low CO2 emissions. Drivers will appreciate the responsive nature of the engine, which allows the vehicle to accelerate from 0 to 60 mph in 8.0 seconds. Beyond its performance capabilities, the vehicle offers practical benefits for daily use, including a large boot space that provides ample room for luggage or shopping. These combined attributes make this model a capable and versatile choice for those seeking a reliable vehicle that does not compromise on space or running costs.
